MASTER of Business Administration

Have you considered working in business, running or developing businesses? If so, this unique MBA will provide the high quality training and education you need. You will develop the professional skills required to develop and run businesses in the 21st century. Your studies will build up a foundation of knowledge of current professional principles and practice on which to base your career.

What will I be studying

The MBA provides the opportunity to choose between professional training for a future career in business administration and a more specialist research path for those with a strong interest in Business Studies who wish to undertake research or work in the business administration sector.

Length of studies: 2 years , full time, 120 ECTS

Curriculum includes courses that provide training in the theory and practice of business administration, e.g.: Business Strategies and Models, Business Communication and Negotiation, Accounting and Business Consultancy, Financial Performance Analysis, E-Business, Business Ethics and CSR, Taxation, Investments and Aquisitions, Project Cycle Management, Contemporary Issues in Business Management, Business Law and Mediation, On-line Marketing Research, International Affairs and Globalization, Practice in Business Consultancy, Entrepreneurial Culture and Business Development, Organizational Change and Innovation Management, Global Affairs Management, Economic Scientific Research, Conflict Management, Research for Final Thesis

Career prospects

Business life is one of the driving forces in contemporary society. It's also the most important employer on the labour market. Fortunately, your Business Administration Master degree gives you excellent options for a successful business career.

After you successfully complete the Master of Business Administration you will have the opportunity to advance in your career in mid-to-upper level management professions at organizations of all sizes and types both in the private and public sector, such as:

- multinational companies, banks, pension funds and insurance companies (e.g. as a financial analyst)
- companies of all sizes in all industries (e.g. as a manager)
- government ministries (e.g. as an advisor)
- academic institutions (e.g. as a lecturer)
- consulting companies (e.g. as a management or business consultant)
- start-up companies (e.g. as an entrepreneur: starting your own business)

Why study in Alba Iulia?

The Master of Business Administration offers a unique opportunity to undertake a postgraduate degree in a vibrant research-led environment that prides itself on its national and international status. The opportunity for experiential and hands-on learning through internships and practical courses combined with the unparalleled opportunity to work with outstanding and dedicated academics offer students the chance to graduate after acquiring a unique set of skills and knowledge.

The Master of Business Administration has been developed by the members of the Department of Economics and Business Administration. The Department is highly rated in Romania with active research groups in business administration.

The beautiful and historic city of Alba Iulia provides a stimulating and picturesque backdrop to your master experience.

"1 Decembrie 1918" University of Alba Iulia, Romania, gives you the unique opportunity to develop your expertise in the field of business, management and administration in accordance with the current and future trends in the field of economics, curriculum theory and practice, information technology and communication, design and assessment, providing quality and efficient conditions for education.

How to apply

Academic requirements

The applicants must present study papers issued by accredited / recognized educational institutions, have good results in education, respectively an average of the study years of at least 7 (seven) corresponding to the scoring system in Romania or the "Good" score, as the case.

English language requirements

For acknowledged study programs that are carried out in foreign languages, the receiving high education institution will organize a foreign language test. The persons that come from countries where the official language is the language in which the courses are run and the persons who have an internationally acknowledged language certificate will be exempt from this test.

Registration requirements

International students from outside the EU who wish to attend a degree programme must comply with the national legislation and "1 Decembrie 1918" University of Alba Iulia Charter.
